

About CUAC

- Creativity Unlimited Arts Council seeks to be the catalyst for collaboration among local arts organizations.
- We provide opportunities in the form of classes, workshops, exhibitions, performances, and events in the arts and humanities to people of all ages in North Platte, Nebraska and the surrounding area.
- The Arts Council is an enthusiastic group of people, with events organized throughout the year. Past events include the North Platte Literary Festival, Autumn Arts Festival, Children's Summer Art Festival, Spring Herb Market, and Create a Canvas classes.
- CUAC with the partnering of many co-sponsors was the driving force behind a three year project to build the Community Unity Tile Towers located in various parks around the city of North Platte.
- In 2008, CUAC acquired the historic 1913 Post Office Building. Renovation plans are in progress to restore this structure to its former glory. When complete it will provide the venue for special art exhibits, chamber music performances, class rooms for arts related activities, and an ideal setting for many community events.
