

## **NORTH PLATTE ART GUILD**

Meets on the 3rd Tuesday of each month—1:00pm, at the Prairie Arts Center

The North Platte Art Guild was started in the 70's by Dr. John Dorwart to manage the newly-formed Governor's Professional Art Show for Nebraskaland Days. Within a year, the Competitive Nebraskaland Days Show also was established. Members of the guild continue to staff the show each June.

At monthly meetings, a short business meeting is followed by a program. Members take turns showing techniques and giving demonstrations. Recent programs by guild members include mail art, computer art, making memory boxes, making decor with old jeans, watercolor, acrylics, oil paint, and drawing at the Lincoln County Historical Society Museum. The guild has an annual judged show each April to choose entries for the Association of Nebraska Art Clubs show. New members are welcome.
