

Art Donation Application

The Prairie Arts Center is committed to providing art to patrons for their enjoyment and education. The acceptance and exhibit of art must be managed to insure that PAC is able to maintain its decorum and space limitations. It is the objective of the PAC art donation committee to accept suitable artwork on behalf of PAC if the donor agrees to the *Art Acceptance Criteria* defined below.

Art Acceptance Criteria:

- If a piece of artwork is donated to PAC, it becomes the sole property of PAC. The donated artwork may be displayed within the building permanently, on a rotational basis, or may be utilized or sold for a fundraiser.
- A photo of the donation must be submitted with this form to the PAC Art Donation Committee, along with an approximate size and description.
- If the art **is not accepted** by the committee due to size, subject matter, aesthetics, lack of suitable space, etc., the below donor will be notified by the PAC Executive Director.
- If the art **is accepted** by the committee, the below donor will be contacted by the PAC Executive Director to arrange delivery. The art will then be the property of PAC.

We appreciate your donation and support of the arts.
